Vehicle Registration Information

COMPLETE THE VEHICLE INFORMATION FORM AND SUBMIT WITH APPLICATION

The health officer shall issue registration decals for a given vehicle only if each of the following conditions exist:

- 1) The transporter holds a current and valid transporter permit, current ARA franchise agreement (if applicable), and the information contained on the vehicle's registration or title corresponds to the information given on the transporter's permit application or an amendment thereto.
- 2) The transporter has paid the applicable vehicle registration and ARA franchise fees and makes the vehicle available to the health officer for verification.
- 3) The transporter name and telephone number are placed on each side of the vehicle(s) tractor or trailer and are at least three inches (3") high having a brush stroke width of at least 3/8 inch. Magnets are not allowed and will not pass inspection.
- 4) The vehicle has a current state inspection sticker and current license registration. The vehicle is equipped with applicable State of Texas measurement device and discharge valve markings.

IMPORTANT INFORMATION

Please provide vehicle information for both truck and trailer as a unit.

City Truck #: Vehicle # assigned to vehicle by City of Houston and can be located on decals or registration certificates.

Truck and Trailers: Please include information for both truck and trailer when applicable. If permitting truck only, please select truck and only list VIN and license plate number for truck. If permitting trailer only, please select trailer and only list VIN and license plate number for trailer.

After the application is approved you will be contacted, and a time will be scheduled to bring your vehicles for vehicle inspection. Ensure to arrive 15 minutes prior to your scheduled inspection time.

VEHICLES WILL NOT BE ACCEPTED FOR INSPECTION WITHOUT AN APPOINTMENT

Disclaimer: A company is considered permitted once a vehicle passes inspection. Upon the vehicle passing inspection you will receive a copy of the company permit and a vehicle registration. Only vehicles that have passed inspection are permitted to haul city regulated waste. Non permitted vehicles hauling city regulated waste are subject to enforcement.

Person Responsible (Transporter Manager/Owner) must be present to pick up Operating Permit. Operating permit copies will no longer be released to drivers. The operating permit is released on the first passed vehicle inspection.

2025 Transporter Fact Sheet

IMPORTANT INFORMATION

Please read, this fact sheet is referenced in Affidavit of Transporter Manager Acknowledgement.

- 1) Training is available upon request for drivers and office staff. Please call 832-393-5704 or transporter@houstontx.gov to schedule an appointment. This training is intended to teach staff how to fill out a monthly report, manifest and discuss documentation questions/concerns.
- 2) Special Waste transporter operating within the City limit of Houston must be permitted.
 - All trucks must be registered for the current permit year.
 - Current and valid registration decals from City Health and ARA departments must be visible and free from any obstruction.
 - In order to obtain a replacement decal, the transporter must surrender the decals to be replaced. If the decals are not surrendered, then the full vehicle registration fee is required.
 - City issued vehicle registration certificate for the current permit year must be present in the truck at all times.
 - In the event of an accident or vehicle malfunction, please contact and email transporter@houstontx.gov within (3) days and prior to submitting monthly report to avoid issues with monthly reporting of waste.
 - Only authorized employees & drivers listed on current application are allowed to purchase manifest.
 - All amendments to current application including disposal site location changes are required to be submitted within 15 days.
- 3) Waste transported within the City limits of Houston must be accompanied by a City of Houston (COH) approved issued Manifest only. *Waste generated outside COH limits does not require the use of a city approved manifest.*
 - City of Houston issued manifest must be used for all waste originating within City limits of Houston.
 - After Business Hours Authorization form must be submitted and approved by the Houston Health Department prior to servicing a generator with no representative onsite to sign for the manifest.
 - Driver or operator must keep adequate amount of COH approved manifest on hand.
 - Manifest must be used in the numeric order that is issued by the City.
 - Manifest must be completed in blue or black ink only, right justified and free from any additional writing that is not required on manifest.
 - Include the top white copy ONLY of Scantron Manifest that has barcode.
 - All applied sections of manifests must be completed and signed by both the driver and the generator representative before leaving the site with the waste.
 - All manifests must be signed and date-stamped by the disposal site.

Rev9192024

- 4) Portable toilet waste must be accounted for on a solid/special waste manifest. Use one manifest per truck per disposal.
 - All portable toilet waste must be disposed at a site that is listed on your current TCEQ disposal facility page that is provided with your TCEQ sludge registration.
- 5) All generators operating within the City limits of Houston are required to obtain a waste generator certificate/ permit
 - The transporter is required to verify that the generator has a current and valid permitted before cleaning of the Interceptor(s).
 - Business name and address on the certificate/permit must be verified.
 - Business with a name change may not have trap cleaned until a new permit has been updated displaying the name change.
 - An email request for a business that does not have a special waste number or requires a one- time emergency pump out must be sent to Health official prior to cleaning. The email request should include name of business, address, contact name, telephone, and email address of generator. Please email request to transporter@houstontx.gov.
- 6) All domestic septic tanks & lift stations must have a current permit with a special waste number before the transporter can fully evacuate. Commercial septic tanks & lift stations must have a valid permit before the transporter can fully evacuate.
- 7) All traps must be cleaned to the bottom no skimming or dump back is allowed. All trap capacities must be verified. Any disputed capacity must be reported to the City of Houston Health Department at 7427 Park Place Blvd. (832) 393-5740. When the trap capacity exceeds the truck tank capacity, the balance of the trap waste must be removed within 24 hours of the initial cleaning.
- 8) Monthly report documenting all activities, manifests used and processing fee of \$4.50 per manifest must be submitted by or on the 15th of each month. If the 15th is a holiday or weekend, the report must be submitted on the following business day. It is recommended that you submit your report as early as possible to prevent submitting a late report. All permitted transporters are required to submit a report even when no work is done for that month. All forgotten or misplaced manifests that were not submitted with a monthly report must be submitted using a separate monthly report form. These manifests cannot be submitted with a different report month. All manifests submitted after the 15th will be subject to enforcement action. A complete monthly report includes the following: monthly report form, full payment in check or money order, and manifest. In the event we do not receive a completed report the report will be returned and considered late.

- 9) Waste must be disposed of at the approved disposal site within four (4) days of pick up. Approved disposal sites are Type V Municipal Solid Special Waste facilities and or a Type II Municipal Landfill with solidification process. Any disposal site changes need to be submitted to our office prior to disposal at elected facility to avoid enforcement action.
- 10) If you wish to remove or add a Disposal Site submit changes to TCEQ. Please submit a copy of your updated TCEQ registration to transporter@houstontx.gov
- 11) After Business Hour Authorization Form is intended to be used for the documentation of services rendered to interceptors after business hours. Keep this copy for your records. Make a copy available to your generator in the event after hours services are required.
- 12) Closing Permit/Out of Business: A letter or email advising you are closing out your permit must be submitted to our office. Return transporter decals, all unused manifest and Driver ID's that were provided must be returned to our office to close out your permit.
- 13) All permits expire on January 31st, with exception of temporary permits that expire on 31, 62 or 93 days from the date of issuance. In order to obtain a transporter permit for the new permitting year a new application and payment will need to be submitted. Once your application is reviewed and approved an appointment will be scheduled for a vehicle inspection.

Waste Transportation Permit Bond

Bond Number:

KNOW ALL MEN BY THESE PRESENTS:

That we _____ as Principal and

_____, as Surety, are held and firmly bound unto The City of Houston in the penal sum of One Hundred Fifty Thousand Dollars (\$150,000.00) (said sum representing the aggregate of five times the applicable per occurrence amount) in lawful money of the United States to be paid to the said City of Houston for which payment well and truly be made, we bind ourselves, and our heirs, executors and administrators jointly and severally be these presents.

WHEREAS the Principal has been issued a City of Houston Waste Regulated Transporter Permit pursuant to Article XI of Chapter 47 of the Code of Ordinances, Houston, Texas.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT the Principal of the Surety will reimburse the City of Houston an amount not to exceed \$30,000 per spill occurrence for the cleanup costs of any spill that may arise as a result of operations conducted under the Permit. If such payment is made within thirty days following demand, then this obligation shall be void, otherwise to remain in full force and effect. The Principal and the Surety expressly waive any requirement of notice prior to commencement of cleanup operation or the incurring costs therefore.

NOW THEREFORE, this bond shall be in effect all times during the Transporter permit term and shall expire January 31,____, but shall also be subject to one year renewal terms by continuation certificate issued by the Surety.
